GUARANTEED ANALYSIS

Crude Protein Minimum 14.0%
Crude Fat Minimum 3.0%
Crude Fiber Maximum 11.0%

INGREDIENTS

Processed grain by-products, grain products, molasses products, dried lignin sulfonate.

FEEDING DIRECTIONS

Feed for 28 days to beef cattle only. Feed 0.175 lbs. per head per day or the following mixing chart shows the amount of Hi-Pro Chlortetracycline Sulfamethazine medicated crumbles needed for various quantities fed. Mix the Hi-Pro 10161 thoroughly with all ingredients. Final feed fed at the rate in the far right hand column will provide 350 mg. Chlortetracycline plus 350 mg. Sulfamethazine per head per day. Always provide plenty of clean fresh water for drinking.

WARNING: Federal law restricts medicated feed containing this Veterinary Feed Directive (VFD) drug to use by or on the order of a licensed veterinarian.

WARNING: Discontinue use 7 days prior to slaughter.

LIMITATIONS: Feed for 28 days.
