BEEF CATTLE FINISHER

FOR BEEF CATTLE IN CONFINEMENT

GUARANTEED ANALYSIS

Crude Protein	Minimum	12.0%
(This includes not more than 0.6% equivalent non-protein nitrogen)		
Crude Fat	Minimum	4.0%
Crude Fiber	Maximum	12.5%
Ash	Maximum	9.0%
Calcium	Minimum	0.5%
Calcium	Maximum	1.0%
Phosphorus	Minimum	0.4%
Salt	Minimum	0.5%
Salt	Maximum	1.0%
Potassium	Minimum	0.9%
Chromium	Minimum	0.3 ppm
Vitamin A	Minimum	5,000 IU/LB

INGREDIENTS

Grain products, roughage products, plant protein products, molasses products, condensed fermented corn extractives, propionic acid (a preservative), sulfuric acid, propylene glycol, natural and artificial flavors, fat products, high fructose corn syrup, polysorbate 60, glycerin, xanthan gum, ethoxyquin (a preservative), calcium carbonate, processed grain by-products, salt, ammonium chloride, sodium bentonite, ammonium salt of propionic acid, propionic acid, polysorbate 80, sodium sulfate, sodium sulfite, potassium sulfate, flavoring, calcium sulfate, silicon dioxide, Vitamin A supplement, basic copper chloride, magnesium oxide, manganese sulfate, zinc sulfate, cobalt sulfate, ethylenediamine dihydriodide, ferrous carbonate, sodium selenite, Vitamin E supplement, chromium propionate, zinc hydroxychloride, manganese proteinate and copper hydroxychloride.

FEEDING DIRECTIONS

Feed from 1.5% to 2.5% of body weight to beef cattle after cattle have been brought up to full feed on #10014 Hi-Pro Cattle Starter Ration. Daily feed allowance should be divided into two or more equal feedings per day to help prevent digestive upsets. Hi-Pro #10027 contains a high grain level to insure maximum performance for finishing cattle. Because of the high grain level, #10027 should be introduced to animals gradually, until the desired feeding level is achieved. Hand feed to mature cattle with hay or other roughage to help prevent digestive upsets. Keep feed in cool, dry storage. DO NOT use feed that is old, molded or insect contaminated.

CAUTION: Use only as directed. For ruminants (cattle, sheep & goats) only.

CAUTION: This feed contains added copper. Do not feed to sheep or other related species.

CAUTION: This feed contains added chromium. Do not exceed 0.5 milligrams of chromium from chromium propionate per kilogram of the complete feed.
